Our students have achieved notable success in prestigious competitions, showcasing the effectiveness of our program. Highlights include:

1. National Level (2025) :

Our student won 1st prize in Sr. Division by Santhome School, Sangli conducted by IIT Mumbai Tech Fest 2025 at Asia largest Tech Fest.

2. National Level (2025) :

Our Students won from Ramsheth Thakur Public School, Kharghar, Navi Mumbai participated in IIT Bombay Techfest 2025, a prestigious national-level science and technology competition with participation from over 400 schools across India.

During the event, our students achieved the following distinctions:

- The Ultimate Team was awarded the Best Mechanism Trophy along with certificates for innovative robotic design.
- The Coding Quest Team was awarded the Best Mechanism Trophy along with certificates for exceptional technical implementation.
- The Robo Sprint Team received Qualifier Certificates.

3. National cum International Level (2024) :

Our students won 1st Prize in the Junior Division at the 6th Edition of Young Innovation Program 2024 conducted by IIT, Kharagpur, Nation cum International West Bengal Gospel Home school- Rishra-Hooghly,

4. District Level - Conducted by :

Karnataka ICSE School Associations Competition – State level Future Bots Fiesta

- a. Carmel Convent School students– Secured 1st Prize in Robotics and Artificial Intelligence, standing out among 52 participating schools.

- b. St. Francis Begur - Secured 1st Prize in Senior Category.
- c. R. V. Public School – Bangalore - Secured 3rd Prize in Junior Category.
- d. Holy Spirit School – Achieved 3rd Prize in the Sub-Junior Category.

5. Achievements / Recognition:

- a. Registered Space Tutor with ISRO-

Being chosen as a registered space tutor by ISRO is a significant achievement, highlighting our expertise and interest in space technology.

- b. Appreciation letter from GST for prompt payment (2024-25)

Date : 27.11.2025

To Whom so ever it may concern

This is to certify that our Gospel Home School ,Rishra has won the First Prize in the Junior Division of National and International wide contest in the 6th Edition of the Young Innovation Program 2024 conducted by IIT Kharagpur.

We attribute this achievement to the support and guidance provided by Amazeheads LLP, who have been instrumental in nurturing our students' innovative skills. Their expert teachers worked closely with our students, providing necessary assistance and guidance, which helped them excel in the competition.

We appreciate the efforts of Amazeheads LLP in empowering our students to achieve this remarkable feat.

6TH EDITION OF THE YOUNG INNOVATION PROGRAM

A screenshot of a website for the "6th YIP" (Young Innovators Program). The page features a large image of a group of people on a stage. Below the image, text reads: "The 6th Edition of YIP IIT KGP invited a nationwide reach, drawing the participation of schools from various corners of the country. As a pivotal component of the program's third round, a select group of 33 teams were given the unique opportunity to showcase their projects at the revered institution. This interaction extended beyond mere presentations, allowing the students to engage directly with distinguished professors from IIT KGP. Furthermore, the attendees were enriched by a comprehensive robotics workshop and an extensive campus tour, affording them firsthand exposure to the expansive academic expertise and state-of-the-art laboratories that distinguish IIT KGP as a leading educational institution in India." A "Coffee Table Book" button is visible. The "Winners of 6th YIP" section lists the winners for the Senior and Junior divisions. The Senior Division winners are: Sambhav 4 (Sethiyan English School, Bangalore), Vihartology Present (Krewe International English School), and AMITY (Vasant Valley School). The Junior Division winners are: Hemanth (Gopalkrishna School, Blore), BaratTech (Lakshmiapuram Senghunam Balika), and Aagis (Keystone International School). The footer contains links for Contact, Quick Links, Useful Links, and Follow Us, along with a copyright notice: "© 2023 Young Innovators Program - All Rights Reserved".

The Sixth Edition of the Young Innovators Program (YIP) conducted by IIT Kharagpur is an international award, attracting participants from across India and countries like the UAE, Singapore, Denmark, Malaysia, and Saudi Arabia.

Trimurty Road, Mulund (W), Mumbai - 400080. Tel. Office : 25680920

Dear Rishabh,

I am writing to express my heartfelt appreciation for the outstanding work Amazehead LLP and your team has been doing in our school's innovation lab. Your dedication to providing our students with hands-on experience in robotics, coding, electronics, and entrepreneurship skills has been truly remarkable.

Your efforts in "catching them young" have borne fruit, and we are thrilled to see our students gain valuable knowledge and skills in these cutting-edge areas. The innovation lab has become an integral part of our school's curriculum, and we are grateful for your expertise in making it a success.

We are particularly impressed with the way the program has encouraged our students to think creatively, develop problem-solving skills, and showcase their innovative projects. The impact on their cognitive, social, and emotional growth has been significant.

Please accept our sincere appreciation for your hard work, commitment, and passion. We look forward to continuing our partnership and exploring new ways to enhance our students' learning experience.

Thank you once again for your outstanding contribution to our school community.

Best regards
